On 20 October, the republic's kolkhozes completed the harvest of grain crops. On 10 September, kolkhozes and sovkhoses fulfilled, considerably ahead of schedule, the state plan for grain procurement, delivering to the state 320,000 more poods of grain than in 1949.

The potato harvest area was greater than last year. The harvest and delivery to the state of cotton, sugar beets, and other crops is proceeding successfully.

The work of providing an increased fodder supply base for animal husbandry on kolkhozes is proceeding on a high level. The plan for mowing indigenous grasses and ensilage work has been fulfilled, while the area of mowing of indigenous hay has increased 4 percent, seed grasses 28 percent, and ensilage 13 percent over 1949.

On 20 October, MTS had completed 23 percent more tractor work than in 1949. MTS fulfilled the plan for combine harvesting 122 percent, representing an increase of 18 percent over 1949.

Construction projects in the republic fulfilled 75 percent of the third-quarter capital-construction plan, including 69 percent by Union projects and 94 percent by republic projects. The volume of capital construction in the third quarter 1950 was 99 percent of that of the same period of 1949. Construction projects of individual ministries and organizations fulfilled the third-quarter capital-construction plan as follows:

<u>Projects of Union Ministries</u>	<u>Percent</u>
Ministry of Metallurgical Industry	52
Ministry of Electrical Industry	62
Ministry of Electric Power Stations	83
Ministry of Communications Equipment Industry	89
Ministry of Automobile and Tractor Industry	72
Ministry of Chemical Industry	99
Ministry of Machine and Instrument Building	64
Ministry of Machine-Tool Building	80
